Re: 3:08CROCI40-DPJ-LRA

Dear Clerk,

My letter today is seeking information concerning the submission filed in Oct. of 2010 and the subsequent show cause order issued by the district court in these matters. I have not received a filing by the government and I have not heard anything from the court.

I would appreciate if you could send me a copy of the docket sheet in the above styled case and any disposition concerning these matters as well.

Thank you in advance, for I am and shall remain,

Sincerely,

Marcus Guice
